SERVICE ACADEMY NOMINATIONS

HOW NOMINATIONS ARE COMPLETED

Choosing the most qualified candidates to be nominated for a Service Academy nomination is no easy task. Nominees are chosen strictly on the quality of their qualifications, academic record, standardized test scores, resume, essay, and letters of recommendation. No other information will be used when selecting candidates for nomination.

In order to ensure the utmost level of fairness and quality in the fiercely competitive nomination process, Congressman Trott has asked a number of qualified and experienced individuals to serve on a Service Academy Nomination Board. This board will review all applications, interview prospective nominees and then recommend the most qualified candidates for Service Academy nominations.

Congressman Trott believes this process is the most fair and efficient way to select the most skilled and qualified candidates to be nominated.
